Dear Parents/Guardian,

We wish you a joyous and Blessed Easter season and may this season fill your hearts and homes with peace and love. Wishing you a safe and gracious restful holiday.

Easter break: Mater Dei family goes home for Easter holiday today, **5th April** being Saturday and we shall re-open on **Saturday, 10th May**. Students are expected to resume that day on or before 3.30pm. Remember, failure to resume on that day attracts a penalty of ₦2,000 (per number of days spent at home) this has been an existing tradition of the school. Also, lateness between 3:30pm – 4:30pm are also penalized at ₦1, 000. Also, be reminded that students are not allowed entry as from 5pm.

Extension for SS3 & UB3: Be informed that SS3 students will stay back for extension programme which begins from **7th April to 17th April, 2025**. They will thereafter vacate for their Easter break on 18th April and return back on 3rd May, 2025. **UB3** Students will return to school on **Saturday, 26th April, 2025** for their extension programme which will continue until school resumption.

Entrance Examination: The entrance examination form for 2024/2025 academic year is still on sale at the cost of ₦3,500. The date for the supplementary examination is 21st June or different arrangement can be made for any other date other than 21st June if not convenient. We appeal to our parents/guardian to assist in advertising our school. (Contact Principal or Bursar for admission matters)

Termly submission: Next term submission has been grouped according to classes as follows: **UB1, UB2 and UB3** - familiar tissues (1dozen each) i.e 2 packets, **SS1** – 2 packets of candle,

SS2 and SS3-1 packet of A/4 paper (75 GSM).

Online Result checking: This term's result will be ready for checking online as from **Good Friday, 18th April, 2025** Remember, result must be printed out and a photocopy of it submitted to the form teacher on the day of resumption. To check your child's term results via our website (www.materdeiddlschool.com), follow these steps as contained at the back of your scratch card. After checking the result, print and submit a copy of the print out to the form teacher on the resumption. We have observed with dismay that

some students resume without checking their results and their parents are not even bothered about it.
Henceforth, checking and printing of result in the school on resumption is now ₦1,000

Parent's access card: Please always remember to come along with your access card on visiting days and any other time you are picking your daughter from the school.

Behavioural report: you are to submit to the hostel mistress, a report of your child's behaviour while at home. Such report must be signed by parents/guardians and sealed before submission. Let us know the areas she did well and where she did not do well too.

- **Use of POS for payments:** Parents should always write their daughter's name as the depositor's name and also indicate the fee they wish to pay for when using POS as a means of payment. We advise you to use only POS machine that has this feature like Monie point POS. Most times depositors name as appeared on our statement do not bear students' name making it difficult to know who made such payment.
